Has your pet had anything to eat today? Yes No
I understand that any retained baby teeth (haven't fallen out) can be removed (\$20), an umbilical hernia can be repaired (\$75) and an inguinal hernia (\$150) while the animal is under going surgery with consent. If it is not removed/repaired, you may elect to have it done at your primary veterinarian as a separate procedure.
INITIAL ACCEPT
understand I am financially responsible for any and all medical conditions found at the time of surgery and require treatment in order to complete the requested surgery successfully (IE: uterine infection, etc)
INITIAL ACCEPT
Has you pet had any prior medical conditions? If yes, please explain
s your pet currently on any medication? If yes, please explain
What medication? When?
When was the last time your pet received heartworm medication?

## **SURGICAL CONSENT WAIVER**

SNIP Society, NFP uses licensed
Veterinarians and trained experienced
staffing as well as the highest quality
materials for all procedures performed. It is
important for you to understand the risk of
surgery, although extremely low, the risk of
death is always present, just as it is for
humans that undergo surgery.

I, acting as owner or agent of the pet named above, authorize the SNIP Society ,NFP to perform surgery on this animal. I authorize the Veterinarian to administer any treatment considered necessary during the course of the examination and surgery.

I release and indemnify all SNIP Society ,NFP employees, volunteers, and agents from all liability.

I understand that the Veterinarian maintains the right to refuse to perform surgery for any animal for whom surgery is deemed a health risk.

Your pet may receive a small tattoo on their underside indicating sterilization.
